

Alternative Teaching

Notes

- ♦ **One teacher works with the larger group while the other works with a smaller group of students.**
- ♦ **The larger group completes the planned lesson.**
- ♦ **The smaller group either completes an alternative lesson or the same lesson at a different level.**
- ♦ **Can be for an entire class period or part of a class period.**
- ♦ **The purpose for the small group and its members should vary.**
- ♦ **High level of planning/preparation.**

Applications

- **When students' mastery of concepts taught or about to be taught, vary tremendously.**
- **When some students are working on a modified or alternate curriculum.**
- **While larger group is working on products, smaller group is assessed.**
