To facilitate this, we are asking that schools strictly adhere to the following time lines:

Regardless of start time;

No student writing a public examination will be permitted to leave the exam room until 10:00 am/2:00 pm.

No student writing a public examination will be permitted to enter the exam room later than 10:00 am/2:00 pm.

***Afternoon Session**

Schools may run the afternoon sessions from either 12:30 pm – 3:30 pm or 1:00 pm – 4:00 pm.

Guidelines for Administration of CDLI Final Exams

Since CDLI classes often cross regional boundaries, we do need your help in **maintaining the validity of exams**. As such, we ask you (m-teams) to adhere to the following guidelines for administration of CDLI final exams.

- 1) Exams will be sent electronically to CDLI schools via the Exam DropBox on or before **Wednesday, June 07, 2017**.
- 2) E-teachers will monitor receipt of these exams using the DropBox. If you have troubles downloading the exam then contact the e-teacher immediately.
- 3) M-teams should print off the exams on CDLI equipment (for clarity) and store them in a secure place until the day of administration.
- 4) M-teams must collect all exam materials so that copies of questions cannot be carried outside the exam room and shared with other schools/students.
- 5) M-teams should ensure that no cell phones or other electronic devices are taken into the exam area. In the case of graphing calculators, memories must be cleared.
- 6) M-teams must ensure all exams are monitored and supervised continuously from beginning to end.

- 7) M-teams must ensure that the scanning of exams for return to the e-teacher is done by the m-team. **The exam file must be uploaded and returned to the e-teachers using the Exam DropBox. Under no circumstances should it be sent using a student email account.** This would give the student access to the exam electronically in their sent mail which could then be forwarded to other students across the province. **(Important - Security)**

- 8) Exams should be written on the specified date and returned to e-teachers as soon as they are written to facilitate appropriate time for correction and reporting.**

- 9) English 1201/2201 and Math 1201/2201 are **common exams** across the NLESD and should be treated like public exams, except for the fact that they should be returned to and corrected by the teacher. These exams are of 2-hour duration with an allowable 10mins/hour extra time, notwithstanding documented accommodations.

- 10) If there are any clashes between the scheduled time for CDLI final exams and face to face public exam courses then please inform the e-teacher as soon as possible and an alternate time for writing the CDLI final exam will be determined. This will occur on a case by case basis after identification of the problem and a discussion occurs between the e-teacher and the school m-team.

Please remember that **Provincial Post-Secondary Tutors** will continue to be available during the afternoons and evenings to do **free tutoring** in most courses up to exam week. You should check the CDLI website (www.cdli.ca/tutoring) for the weekly tutoring schedule. Students must realize that it is never too early to start preparation for comprehensive cumulative testing.
