## Rewarding Careers in Healthcare

Eastern Health is offering high school students the opportunity to learn more about a variety of careers in healthcare. Each month different careers will be profiled.

### Participants will:

- learn how each of the careers contribute to healthcare delivery in our province;
- learn the educational qualifications required;
- meet some employees who are passionate about the work they do; and
- have the opportunity to ask questions.

**Audience:** Grade 10-12 students (caregivers welcome)

**Date & Time:** December 8, 2021 6:00-7:00 pm

**Location:** Virtual. To register please email [employment@easternhealth.ca](mailto:employment@easternhealth.ca) by Nov 30

### Careers Profiled in this session:

- Medical Communications (911 Operator)
- Health Information Management
- Administrative Support
- Food Service
- Housekeeping
